Message from the Mayor

On behalf of council and staff at the Town of Wasaga Beach, I want to wish everyone in our community a Happy New Year.

I hope you had a Merry Christmas with family and friends. The holiday season is a wonderful opportunity to spend time with loved ones.

This promises to be an exciting year for our community. We have so much happening that we can take great pride in.

One of the highlights is the new County of Simcoe Affordable Housing project on Zoo Park Road. The construction phase will be complete later this year and it will be wonderful to see a new neighbourhood come to life when families move into the units.

This 99-unit facility will provide much-needed housing in our community. I want to thank the County of Simcoe for making this investment in our town. The municipality is happy to be a partner in the project.

Another exciting development we expect to see this year is a casino site chosen. Gateway Casinos and Entertainment Ltd. will select where it wants to build a casino in our community and we look forward to learning what they decide.

The casino will provide exciting job opportunities and the facility will be a fun attraction for visitors as well as residents.

On the financial front, council is busy working with staff to create the 2019 municipal budget.

Our first budget meeting took place shortly before Christmas. Right now, the draft operating budget sits at \$39.7-million. The capital budget, representing money earmarked for municipal infrastructure projects, sits at \$26.6-million.

At this point in the process, the budget includes a 5.71 percent municipal tax rate increase.

The numbers I have outlined will change in the weeks ahead as council makes decisions about priorities for 2019 and beyond. Still, I am sharing the current budget information with you to give you a sense of where we are at with this important annual exercise.

You can learn more about the budget process by attending our meetings, or by reading our Budget Update bulletins. You can also watch and listen to the discussion we have by viewing our budget meetings on our YouTube channel. Simply search "Town of Wasaga Beach" on YouTube and then choose the meeting you wish to view.

Council is also busy meeting with staff to establish our goals and priorities for this term. We will be sharing more on this soon. I encourage you to keep an eye on our website and social media channels for more details.

I also want to share with you some information about the downtown and beachfront lands. Council has decided to take a review of these lands. In December, council agreed to let the Letter of Intent with FRAM Building Group Ltd. lapse as a first step in the review process.

Council has requested that staff and I reach out to FRAM to determine the company's interest in working with the town, and other prospective developers, in the future development of town held lands on Main Street and at the beachfront.

We will be reporting to council at the end of February.

I am happy to tell you I have spoken to Mr. Frank Giannone, president of FRAM, and

Mayor's Message con't

Continued from front

our discussion was positive. We look forward to continued dialogue.

Developing the downtown and beachfront lands is something council takes seriously and we must ensure we get this right. We have a new council with new ideas and it is our hope that we can find the right development partners to work with council in creating developments that are acceptable to our community.

On a lighter note, we have great fun planned for February. Snowman Mania takes place Feb. 15-18. The annual four-day winter carnival will include a wide variety of entertainment throughout the town.

Finally, please note you can always contact my office by calling 705-429-3844, ext. 2225, or through e-mail at mayor@wasagabeach.com.

Nina Bifulchi, Mayor.
